Mango Bay

The Mango Bay offers beautiful West Indies-inspired architecture with a great open floor plan. A spacious kitchen with a walk-in pantry and island opens up to a dining area and great room with tray ceiling. Expansive doors lead out to a large screened loggia with adjacent patio to enjoy the surrounding nature setting. A private master suite features his and hers walk-in closets, his and hers vanities, and a large his and hers spa-like walk-in shower. Two guest bedrooms, conditioned storage and a second floor optional bonus room and bath allows for plenty of space and storage.
